AUTHORIZATION AGREEMENT FOR DIRECT DEPOSITS (ACH CREDITS)

The AFTRA Retirement Fund now offers automatic electronic deposits. This means your monthly pension benefit payment can be deposited directly into a bank or financial institution (excluding brokerage accounts) of your choice that is a member of the Automatic Clearing House (ACH). Through this option you can ensure that your benefits will be available, automatically, on the first business day of each month. In order to take advantage of this option, complete and return this Form. If you choose direct deposit to a checking account, please send us a voided check so that we can verify the routing and account numbers. The Fund encourages automatic deposits as protection against the possibility of a lost check in the mail or in your mailbox.

I hereby authorize the AFTRA Retirement Fund, hereinafter called **THE FUND**, to initiate credit entries to my
 Checking Account Savings Account as indicated below.
